Mother welcomes daughter after 29 years away

To see your daughter after an absence of 29 years is a wonderful occasion and no-body could be more happy about it than Mrs. Margaret Raymond and her daughter Helina (Lina).

When Lina came through the waiting room door at Calgary airport April 17, her mom recognized her immediately. "There she is!" And what a grand reunion it was for mother and daughter and Lina's aunt Mrs. Myrtle Emery of Calgary.

In February of 1944 Lina married Gerring Smith, of the RAF in Calgary and shortly after the wedding Gerring returned to England. On August 2 she left Canada to join him and the couple later settled in Lincoln, Lincolnshire. They have four daughters and a son, ranging in age from 10 to 27 years, whom grandma Raymond has never seen.

Lina is also meeting her two half brothers, Donald and Gary for the first time. Her father Mr. Alexander Reid passed away in 1937 leaving two daughters. Mrs. Raymond later married Joseph Raymond who is now a resident of O'Meara Lodge in Legal. Margaret Raymond has made her home in St. Albert for 24 years.

On the first of May she and Lina are leaving for B.C., where they will visit with Lina's sister, Mrs.

Kathleen Swanson at Port Moody and Wilfred Skerry in Mission City.

Mrs. Smith is "amazed

with changes in Alberta cities - their growth - new high-rises and roads." She will be returning on May 28.

No Hint Of Strike By Nurses Says President

The provincial wage contract for registered nurses will be studied by the appointed Conciliation Board sometime during mid-May, according to Mrs. Judy Serink, president of the Staff Nurses Association of the Sturgeon General Hospital.

Mrs. Serink explained that the Alberta Association of Registered Nurses is the negotiating body for the Alberta nurses and the AARN will be meeting with the representative of the Alberta Hospital Association, plus a neutral representative to study the provincial contract around May 15.

Mrs. Serink declined to elaborate when asked what is the atmosphere of the nursing staff at the Sturgeon General Hospital regarding strike action, however, she did say that in view of negotiations presently being made "it would be premature to even think in terms of strike action at the Sturgeon General Hospital."

The president of the Sturgeon Staff Nurses Association concluded by saying that it has always been the policy of AARN, during negotiations not to make public statements because negotiations may be jeopardized.

"We, of the Staff Nurses Association of the Sturgeon General Hospital issue this statement today," Mrs. Serink said, "to make our position clear."

Education Minister To Attend P.K. Opening

Hon. Lou Hyndman, minister of education for the Province of Alberta has accepted an invitation to participate in the official opening of St. Albert's new Paul Kane High School next Wednesday May 2. Proceedings will get under way at 7:30 p.m. in the modern Protestant Separate High located at #12 Cunningham Road.

Platform guests will include, besides government

Members of the Canadian Forces Parachute team stationed at CFB Edmonton will be jumping into the field adjoining the arena on the occasion of the Lacrosse Kick-off on May 5 at 6 p.m. The team will leave for Belgium the next day, weather permitting, to take part in the International Free Fall Championships.

Lacrosse kick-off set for first May weekend

To launch St. Albert's first lacrosse season the association is planning a big weekend on May 5 and 6.

A parachute jump is scheduled for 6 p.m. Saturday by members of the Canadian Forces Parachute team, stationed at Canada Forces Base Edmonton. The jumpers will be landing in the field adjacent to the arena and the St. Albert Air Cadet Band will be in attendance. Ken Shergold will give a history of the parachute team during the jump.

Following the jump spectators will be invited into the arena where George Hartmetz, Grand Knight of

the St. Albert Council will be introduced. The Knights of Columbus sponsor the St. Albert Lacrosse Club. Veteran sportscaster Al McCann will be master of ceremonies.

Following the short program local residents will get a chance to see the game played if it is new to them. St. Albert Rams will meet the North Glenora Intermediate Blues and the St. Albert Golden Jets will go against the North Glenora Blues.

Mrs. Mike Sebzda presents Cindy Ryley with a gift of her famous Pasta bread in appreciation of Cindy's help with transportation for the Senior Citizens club. The rich and delicious bread, decorated with a cross on top is a traditional Easter custom with slave peoples, who take their pasta to mass for blessing by the priest and on returning home it is served the family on Easter morning.

Helina (Raymond) Smith and her mother, Margaret Raymond, have been catching up on 29 years' worth of news and happenings since Lina's arrival on the 17th from Lincoln, England.

Snowmobile Trio Ready For Thurs. Meet

The committee appointed by town council to investigate the operation of snowmobiles in St. Albert will be receiving submissions from citizens or local groups Thursday April 26 at 7:30 p.m. in town council chambers.

The committee of three includes Gordon Goodman, Dr. Elder Thomas and Sgt. L. E. Rheault. As prescribed by council, the special committee will receive written submissions regarding snowmobiles and the operation of same within the Town of St. Albert. Persons or groups making a submission will also be allotted time to speak to their submission.

Once submissions have been studied by the committee, coupled with committee recommendations, this report will then be tabled with council but no date has been set as to when the

committee's report will come back on town council's agenda.

In a brief telephone interview with Mr. Goodman, chairman of the special committee Tuesday, he hinted that the final report may be ready for council in May.

Break-in

A break-in at the St. Albert Liquor Control Board outlet Sunday afternoon resulted in one large broken window but very little evidence of loss of stock. St. Albert RCMP immediately launched an investigation of the break-in while ALCB officials both in Edmonton and St. Albert were alerted. Emergency window workers immediately replaced the broken window while a crew of Edmonton and local ALCB employees conducted an emergency inventory.

Wee Ones Enjoy Easter Parade

On April 18 the children of the St. Albert Protestant Kindergarten and Nursery School entertained their parents at their annual Easter parade. The children modelled hats which they had made at home. Mrs. Pearl Trudeau (teacher of the afternoon class) added to the mood of the occasion by playing "Put on Your Easter Bonnet" while the children walked the brightly decorated ramp and Mrs. Thea Kwak (teacher of the kindergarten class), Mrs. Jean Hunt (nursery school teacher) and Mrs. Muriel Maandag assisted them. After a song session the mothers served lunch and Mr. Don Mills from the library put on a puppet show.

On Friday, April 13 a trip to the AGT Tower had to be

postponed because of a snowstorm. Before returning home the children of the morning classes stopped for an ice cream cone at the Dairy Queen and were delighted when Mr. Max McCann insisted on covering the cost.

During the month of May the school is planning a trip to the University Farm, Parliament buildings and have been invited to visit Mr. Pizze before the graduation exercises.

Registrations are presently being accepted for next fall's morning and afternoon classes for kindergarten and nursery school.

P.S.S. Article

The Editor:

The article by our PSS Director in the last issue of the Gazette was a veritable masterpiece (Ms-piece?), and I find myself in almost total agreement with her assessment of the current Preventive Social Services situation.

It is certainly true, as Mrs. Acker states, that council, "in response to their (the PSS board's) request . . . to remove one board member" for alleged reasons of lack of co-operation and support for the Preventive Social Services program, . . . skirted a hot issue" when they "relieved the entire board of their duties." This action of council was undoubtedly, as Mrs. Acker says, "the most politically expedient one." (I might only add that their action was also unjust, since it left hanging unproven charges and deprived the accused board member of all opportunity to rebut those irresponsible accusations).

Mrs. Acker provides a perceptive description of council's "series of unplanned and disjointed moves," in which they proceeded to

solicit applications from the public to form a new board, then appointed a study committee of three to review the whole administration of the PSS program and recommend a new improved set-up. She might also have questioned the wisdom of council in appointing to this three-man committee two members from the previously "discredited (?) board to straighten things out. (By building in safeguards against honest dissent?)

Mrs. Acker further states that "the eyes of every citizen of St. Albert . . . should be watching council and its handling of the whole affair." They should indeed.

"Will council pay any heed to the committee's report or will they disregard it?" she wonders further, and so should we all.

I must admit to a grudging admiration for our PSS director's forthright and fearless comments and criticisms. Still fresh in my mind is Mrs. Acker's bold Gazette article of last December in which her employers, the previous PSS Board members, were pub-

licly scolded for the questionable motives they might be harbouring.

Now she has courageously taken on the whole town council and chided them for past mistakes and those yet to come.

I've sometimes wished that I had the nerve to tell my boss what I really thought of him, and what he had better do to shape up. Perhaps if I had such amazingly tolerant employers as has Mrs. Acker, I might be able to get away with it.

R. V. Garlepy.

Noted Dancing Teacher Tests 117 Students

Miss Hardy seen with Jocelyn Kowalski in the Gold Star tap class which she conducted.

Miss Joan Hardy of Imperial Society of Teachers of Dancing, London, England visited St. Albert School of Dancing last week to conduct exams in ballet, tap and modern dance, and also to give classes to the senior students.

It is nine years ago that the ISTD first came to Alberta to examine children in St. Albert and also in Calgary. This year for the first time children were examined in Lethbridge and Edmonton as well. Miss Hardy also visited the Alberta Ballet Company in Edmonton and worked with the dancers for two days.

It is encouraging that the interest in this internationally recognized examining body is growing in Western Canada, as this can only improve the standard of dancing here. One hundred and seventeen students were examined in St. Albert and the results were, Honors 6, Highly Commended 14, Commended 40, Pass Plus 30, Pass 22.

Clare Drake speaking at Comets banquet

CLARE DRAKE

The St. Albert Willowbrook Comets hockey club announced Tuesday that U of A hockey coach Clare Drake will be their guest speaker at the annual hockey banquet and awards night Friday evening.

Mr. Drake is an excellent speaker and one of the most knowledgeable hockey men in Canada.

Comets had four of Drake's ex-U of A players this season - Al Laplante, Dale Ripple, Harvey Kirkland and Zane Jakubec.

One of the trophies to be presented has already been engraved. Henry Hodgson captured the S & W Trail trophy as the team's leading

scorer. The other three winners won't be known until presentation time as they are voted on by team members.

The Henry Bourgeois trophy will go to the most valuable player.

Comets best defenseman will be awarded the Roger Ethier trophy and the Trail Inn Auto Court cup will go to the most gentlemanly player on the team.

Tickets can be purchased from any member of the team or at the Sportshop.

The popular event gets underway at 6 p.m. in the banquet room of the Purple Dude.

Gary Westcott, left, Susan Schuchard, Kim Bittman, Brian Benton and Marg Horchuk, kneeling, with their bowling trophies and plaques from the Canadian Youth Bowling championships.

Young local bowlers win championships

Young St. Albert bowlers came up with some fine performances at the annual Team and Singles Championships held by the Canadian Youth Bowling Association at Bonnie Doon on April 15 winning a team championship and five singles titles.

Grandin Bowl Junior Mixed team took the 'Scratch' event and won both the Provincial and Canadian Team championships. Members are Gary Westcott, Susan Schuchard, Kim Bittman and Brian Benton.

For the second consecu-

tive year Gary won the Provincial and Canadian Junior Boys Singles in the scratch event. He scored 227, 206, 295 and 256, for a four game average of 246.

Susan was also a double winner, capturing the Alberta Junior Girls Singles scratch event, with games of 175, 276, 173 and 289, for a total of 911 and a four game average of 227. She was runner up in the Canadians, losing out on first place by 32 pins.

Marg Horchuk won both Provincial and Canadian Singles in the Junior Han-

dicap event. Her four game total including handicap was 940.

Following the bowling events a banquet was held for all participating young bowlers from throughout the province at the Highway Motor Hotel, along with interested parents, totalling about 300 in all. Winners were presented with trophies at the banquet.

Experience rescues Kin for win over Fire Chiefs

Youth and experience clashed head-on just before St. Albert Arena closed its doors on the 1972-73 hockey season Thursday night.

Experience won. The legs may have been a little wobbly at the end, but the score wasn't, 9-4.

That was the result as the Kinsmen Warriors, the team that represents the club that sponsors minor hockey in St. Albert, met the bantam Fire Chiefs in an exhibition game.

The play was probably closer than the score indicates, especially when it comes to mileage skated. The Kinsmen got the job done with a little less work,

although that's a statement they'll probably dispute. And anyone who had seen them sitting in their sweat-drenched underdrawers after the game might agree with them.

However, it was the mookie around the net that won it for the "oldsters." When opportunity came, they took advantage of it.

They led 4-2 after the first period and 8-4 after the second.

Bob Thorpe and Wayne Risling, with two each, Larry Mitchell, Paul Matenak and Ed Tremper scored for the Kinsmen.

Graham Brown, Sandy Milroy, Lloyd Olson and

Lorie Loshack scored for the Fire Chiefs.

Both teams used a couple of "ringers" for the game. Kinsmen had Craig Neeser from the Junior Bruins and Louis Martineau, the most valuable player in the Sturgeon Valley Senior Hockey League, in their lineup while Chiefs used Doug McConachie, who assists Doug Millroy in coaching the team, and Sandy Millroy, who played in the local midget house league.

There were only five penalties, all against the Kinsmen. There was a charge that referee Ken Schwartz may have favored the Chiefs, but we don't think you will agree when you find one of the penalties to Art McDonald was because he was tired, and he obviously was.

It was the 47th game for the Fire Chiefs and their last in a long season. "It has been a great team to handle," both coaches agreed after the game. "They are great kids. They never got discouraged, even when early in the season they were losing some games by as many as 12 goals. They hung together and built themselves into a darned good hockey club." Nine of the Chiefs move into midget company next year, captain Terry Leddy, alternate captains Earl Evanlew, Doug Bailey, and Lloyd Olson, and Don Tobin, Rod Olsen, Rory Ryder, Lorie Loshack and Joey Rappati.

Returning to the team will be goalie Dennis LaFleur, defencemen Collin Wear and Richard Fowler, and forwards Graham Brown, Paul McCann, Greg Brandenbarg and Blake Milroy.

Back row, left to right - Jack Sander, Terry Harkness, Allan Malo, David Fraser, Francis Twarek, Brad Liptak, Carman Cook, Doug Bendera, Stan Harkness, coach; Todd Wingquist, Ken Young, Bernie Joyal. Front row - Bob Drysdale, Raymond Enright, Mark McLaughlin, Larry Sander, Brian McCann and Murray Riddell. Missing from pic coach Gord Robertson.

Exciting hockey action Lancers in Saskatoon

The St. Albert pee-wee Lancers played some great hockey on the weekend as they reached the A side semi-finals in the North Star tournament in Saskatoon, in the first game Friday they went against the Knights from Saskatoon, the league winners.

The game was probably the highlight of the tournament as it went into 40

minutes of sudden death overtime before Larry Sander picked off a lead pass and scored a picture goal with two defencemen hanging on him. Larry scored three goals and Ken Young one, Francis Twarek was picked the star of the game.

Saturday morning the Lancers had a relatively easy time disposing of the Saskatoon Blues 5-2, scoring was divided five ways among them with Sander, Young, Malo, Riddell, Fraser. Saturday afternoon was the big challenge when Lancers met North Battleford who are the reigning provincial champs. They have one boy by the name of Tim Felyma who has averaged

six goals and two assists in every game he has played this year.

The Lancers did well for two periods allowing him only three goals and two assists, but in the third period he scored six unassisted goals. Ken Young was picked as the star in both Saturday games.

North Battleford went on to beat an all star team from Regina 6 to 5 to win the A side as Felyma scored five goals and set up the other.

The Lancers were the cinderella team of the tournament and must have had at least 200 supporters at each game. Great year Lancers!

Fastball League

The Sturgeon Men's fastball league will hold an organization meeting this Friday evening at 8 p.m. in the Spruce Grove curling rink.

The purpose of the meeting will be to find out which teams will be competing and to draw up the schedule.

To date eight teams have confirmed their intentions: Stony Plain Playboys, Stony Plain Kings, Spruce Grove Panthers, Spruce Grove Eagles, Calahoo Chiefs, Villeneuve, Grandin Esso Tigers, Michael's Catering (formerly C.J.D.). Two other teams are considering entering which would make it a 10-team league.

Dick Bird is league president and Gerald McGinn vice president, Larry Mitchell will be the statistician.

Seals take Norths Stars for Bantam A title

On Sunday, April 15 the Seals took a 3-2 lead over the North Stars on their way to the bantam A championship.

The Seals took a one goal lead in the first period, when Breakley scored. In the second period Darrell Ness scored for the North Stars and a minute later L'Hirondelle scored a second go ahead goal for the Seals. Seals went ahead 3-1 on a goal by Longpre and the

15 minute mark. North Stars came back at the 19:00 minute mark to make final score 3-2 for the Seals.

Thursday, April 13 was an exciting game with both teams scoring twice, Frank and Nease were the goal-

getters for the Seals with Mike Mitchell and Dave Shipanoff answering for the North Stars. Seals then became the champs by virtue of their 5-4 total goals over the North Stars.

Baha'i Assembly welcomes Distinguished visitor

The St. Albert Baha'i Community last week enjoyed a visit from Ed Muttart of Toronto. Mr. Muttart of the National Baha'i Assembly is on his way to Haifa, Israel as a Canadian delegate to the Third International Convention, which will elect the Universal House of Justice, the supreme governing body of the Baha'i Faith.

A highlight of this International Convention will be the completion of the Nine Year International Plan in which Canadian Baha'is played a significant role in establishing the Baha'i Faith in more than 300 nations

and territories.

There is no clergy in the Baha'i Faith. Administration is through elected bodies at the local, national and international levels. Elections are democratic in form, except that there is no campaigning or nomination.

Mr. Muttart reported on some of the recent successes in the Baha'i world such as the establishment of 113 National Spiritual Assemblies, 12,000 Local Spiritual Assemblies and the translation of Baha'i literature into 434 languages.

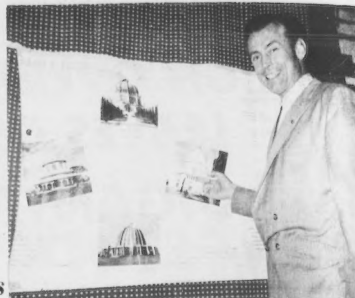

In 1949 the National Spiritual

assembly of the Baha'is of Canada was incorporated by an Act of Parliament and in February of this year the Spiritual Assembly of the Baha'is of St. Albert was incorporated by the Province of Alberta. Mr. Muttart commended the St. Albert Baha'is on this achievement.

Local Spiritual Assemblies are elected annually on April 21 in every city, town or district where nine or more adults reside. On April 21 an election was held in St. Albert and the following St. Albert Baha'is were elected to the Local Spiritual Assembly: Ken Becker, Lin Becker, Rusl Bharucha, Jackie Bickmore, Vekd Boucher, Una Dean, Ruth Eyford, Lynn Smith, Larry

Smith.

The Baha'i Faith is a rapidly growing world religion. People throughout the world have been attracted to this religion with its inspiring message for a new and greater civilization founded upon spiritual principles. With its emphasis on unity through diversity, freedom from prejudices of all kinds, the Baha'i Faith has brought hope to countless people disillusioned by the present state of human affairs and seeking the way to an enduring peace.

Ed Muttart reporting to the St. Albert Baha'is on some of the recent developments of the Baha'i Faith throughout the world.

NFU Rejects

Hint Of Hutterite Threat

The National Farmers Union rejects any suggestion that Hutterite Colonies should be classed with vertically integrated agribusiness corporations as posing a threat to family farms. "People making such allegations are either misinformed or deliberately distorting the truth to confuse the real issues," said Bill Dascavich, Alberta Regional Co-ordinator.

"Hutterites earn their living solely off the land and have proved they can be economically successful by taking advantage of an exploitive system through banding together, bargaining collectively, and bypassing an oppressive marketing system where possible."

"Vertically integrated agribiz corporations pose unfair competition to family farms because they thrive on exploitation and they can subsidize farm production out of profits taken from processing or retailing."

"The real reason for rural depopulation are the economic policies of federal and provincial governments that have made farming unattractive for young people."

"Hutterites cannot be faulted for filling the vacuum created by the resulting exodus of farmers," charged Dascavich.

Charming Easter Bonnets Modelled At Seniors Party

An audience of about 40 gave each of the ladies an enthusiastic clap as they paraded their personally designed bonnets at the St. Albert Senior Citizens Easter party last Thursday afternoon. There was a delightful variety of hats -

pretty ones, smart ones, imported stylings from India and Russia, a merry widow model complete with spider - even a springcleaning hat!

With a charming commentary by Joyce Meurin and music in the background,

the only people having problems were judges Stan Shottland and Shirley Jamison. However after a second review of the fashions and some head-scratching they came up with winners for the two prizes - Mrs. Pudlowski, whose lovely

creation of flowers and pink tulle won the most beautiful category; and Mrs. Skrobot, who was awarded the prize for most original, with many colorful easter eggs artfully arranged on her high crowned green hat, complete with Easter chick and a flower crown. The prizes were two beautiful Easter eggs which open to form a miniature jewel box.

President Lily Szuba had the pleasant task of presenting a gift of Easter Pasta bread, made by Mrs. Mark Szuba, and given to Cindy Ryley "to show our appreciation and express our gratitude to Cindy for her help with transportation," said Mrs. Szuba.

Then it was Mr. Jack Oldfield on stage. He played a group of old favorites on the piano for a sing song to start his show, followed by a humorous ventriloquist act using two comical dummies, which everyone enjoyed thoroughly.

Everyone had a chance for a good visit over the luncheon which concluded the party. Lady Lions Joyce, Cindy and Dorothy Gault assisted with the serving and were responsible for the lovely table decorations. Dainty white baskets filled with jelly beans were set along the tables and a lovely yellow bunny with large floppy ears had the place of honour at the centre. Gifts and novelties were made by floppy Hobbies. A special

feature of the luncheon was another large loaf of delicious Pasta bread - enough for everyone to sample. Winner of the 'guess how many jelly beans' door prize was Nora Lancaster, who

won it on a draw after she and Mrs. Wellar tied on the guess.

The party at the Community Hall was put on by the Breakfast Lions with help of Lady Lions.

Taking part in the Easter Bonnet Parade at the Senior Citizens party last Thursday were, front row, from left - Mrs. Wellar, Mrs. Pollock, Mrs. Walsh, Mrs. Skrobot, Mrs. Pudlowski, Mrs. Szuba, Mrs. Vanighen and Mrs. Lancaster. Standing are Mrs. Franche, Mrs. Smith, Mrs. Marten, Mrs. Teller, Mrs. Hogg, Mrs. Morin, Mrs. Szuba.

The students above completed the Canadian Fitness Test at Robert Rundle Elementary, with top marks.

The fitness test is a Canadian wide test of six individual skills - the flexed arm hang, speed sit ups, long jump, shuttle run, 50 yard run and 300 yard run. A student who meets the requirements (four items of six at a level) receives either a bronze, silver, or gold medal. If a student meets the gold standards in all six tests then the student receives an Award of Excellence.

Because the standards are high only three out of about 420 students managed to achieve this award.

MANY UNADVERTISED SPECIALS!

Noted Purcell Couple Mark Golden Wedding

The name "Purcell" in the entire southern part of Alberta runs synonymously with merchandising because Edmund F. Purcell who celebrated his 90th birthday March 31 owned and operated general stores for over 19 years. During those exciting years, from 1909 until 1928 when he moved his family to The Pas, Manitoba, Mr. Purcell established several general stores in and around Brooks, Bassano, Millicent, Dutchess, Alberta. While doing so, he also established a firm reputation for fair dealing, honesty and for being an active citizen ready to help develop any worthy enterprise.

The Gazette is proud to state The Purcells, not only because they have distinguished themselves as honourable Albertans, but also because their daughter, Mrs. Joan Gates lives here in St. Albert and is a member of the nursing staff at the Sturgeon General Hospital.

What is of special significance at this time with Mr. and Mrs. Purcell is that Edmund celebrated his 90th birthday last month, Mrs. May (Maxed) Purcell will mark her 80th birthday May 20th and the hale and hearty couple will celebrate their 50th wedding anniversary July 1st. Plans are in the making right now for a family reunion in Calgary July 1 when Edmund and May Purcell will renew their marriage vows at a special ceremony in St. John the Evangelist Church, Calgary and attend a mass of thanksgiving. Present will be members of the family, invited guests and possibly Mr. and Mrs. Leo Fitzgerald who are close friends of the Purcells and who will also be marking their golden wedding anniversary.

In an interview with the Purcell couple recently in their home in Edmonton, the spry pioneers were found to be enjoying a pleasant day in their tidy bungalow which is surrounded by a beautifully manicured lawn. When

asked who was the gardener responsible for the attractive landscaping Mr. Purcell replied:

HARMONY

"I'll tell you young fella," a long time ago, my wife and I agreed never to quarrel. So, from that day until now, whenever May and I get a little bit hot under the collar, I go out in the yard while she retires to her kitchen until we both cool off. Do you know that that has made her into a tremendous cook and in the meantime I've become one heck of a gardener."

That little bit of philosophy is just an example illustrating this fine couple's warm relationship, outlook on life which includes a rich sense of humour.

Armed with that philosophy, Edmund Purcell came out of the coal mines in 1909 as a young man with a \$900 stake and ready to make his mark. He opened his first store in Bassano, Alberta on the strength that Bassano, in view of the irrigation dam, would make that town blossom into a major metropolis. After four successful years Mr. Purcell observed that Bassano was not going to become the anticipated huge and thriving centre, therefore, he moved to Brooks in 1913 after selling his business in Bassano and resigning his seat on the town council.

In Brooks, it didn't take long for Mr. Purcell to make his mark. His store was an immediate success, he opened two other general stores in neighboring towns, hired his brothers to manage these then accepted a nomination for a Brooks Town council seat. He served 10 years as a councillor and four years as mayor of Brooks.

In 1923 Mr. and Mrs. Purcell were married and had a son Ted and a daughter Joan when they decided to move to The Pas, Man. The Purcells were blessed with two

other children while they lived for 19 years in Manitoba, another son Patrick and another daughter Irene. Their eldest son Ted, a geologist with an oil firm died as a result of an accident while employed in the jungles of Indonesia. The surviving son Pat is a geologist and lives in Calgary, and both daughters are nurses, following the career of their mother who was in the first graduating class in Alberta when she received her RN diploma in 1918. Nurse Joan (Gates) lives and works in St. Albert while nurse Irene (Kozio) lives in Edmonton.

BACK HOME

In 1947, after the Purcells had disposed of their property in Manitoba they moved back to Alberta and settled in Edmonton where they accepted the position of managing Camp 106, a married quarters complex where about 140 ex-military couples lived while completing their education at the University of Alberta. This program ended about 1951 and Mr. and Mrs. Purcell decided it would be a good time for them to retire.

In reviewing the past, both Mr. and Mrs. Purcell have a wealth of beautiful memories and so many of them are happy memories. For example, Mr. Purcell remembers when a citizen of Brooks approached him way back when he operated his store there and encouraged Mr. Purcell and a few interested businessmen to buy pheasant eggs. That was the beginning of the now-famous pheasant hunting grounds around Brooks.

Mrs. Purcell vividly remembers nursing way back in 1918 and afterward under

May and Edmund Purcell of 9718 - 145 Street, Edmonton are enjoying a rich full life as can be seen above. The photographer suggested to them to look at one another and not at the camera. Mr. Purcell asked, with that twinkle in his eyes: "Do I have to?" Before ending the interview Mr. Purcell had another personal story to tell, it dealt with a tense period a long time ago when he travelled to Ottawa to intervene on behalf of a Catholic Church and obtain justice from the late R. B. Bennett, prime minister of Canada at the time. Mr. Purcell was a personal friend of the late R. B. and Premier Peter Lougheed's grandfather, when these two young lawyers had a law firm in Calgary.

the famous military medical doctor Col. Mewburn. She can tell of many exciting adventures about nursing at that time . . . travelling many miles in open sleighs to attend to patients. She says she'll never forget all those young veterans coming back home from World War 1: "So many of them were so young and so badly maimed."

Recently, the O'Leary Council of the Knights of Columbus celebrated Mr. Purcell's 60th year as a member of this fraternal order and presented him with a scroll at a special reception.

While awaiting to celebrate their golden wedding anniversary Mr. and Mrs. Purcell enjoy reviewing their colorful past and planning for the future. They both have plans for a busy summer which includes a family reunion in Calgary, projects around their cozy little cottage and changes around the yard.

Wouldn't it be simpler just to label the few things that are NOT injurious to health?

Make a better mousetrap and the world will beat a path to your door -- trying to sell you materials and parts.

Unfortunately, some folks are just what the doctor ordered -- pills.

Our friend said his teen-agers gave him a nice surprise for his birthday. They let him drive the car for the whole weekend.

The world is moving so fast these days that the man who says it can't be done is generally interrupted by someone doing it.

School play praised at Drama Festival

The adjudicator at the Regional Drama School Festival in Athabasca April 14 had high praise for the Sir George Simpson Junior High presentation, "The Children of Lork," saying she was very pleased to see such an imaginative interpretation of the mythological characters. She commended

the young actors for their development of the characters and noted especially the performances of Jonathan Morris as Lork, Jerry Hamel as Odín, Cindy Oakes as the wolf child and Valerie Green as Angr, the giantess. The school won the junior high section over eight other plays presented from re-

gional zone 2.

The play was adapted from the original Norse myth by Shelia Jensen, who teaches drama at Simpson school. She and Bonnie Charplin accompanied the students on the bus and Principal Bob Prather drove up to see the performances. There were something over 100 students competing in 13 plays from various high and junior high schools throughout Zone 2.

Atlas Aluminium Ready To Move Into New Building On Riel Dr.

Owners of Atlas Aluminium Products Ltd., Charles Bouchard and Lucien Prefontaine have almost finished putting the final touches on their new building on Riel Drive and are ready to move during the weekend. The co-owners of the manufacturing firm said they will start moving stock and equipment Friday and Saturday in order to be ready for Opening Day - Monday, April 30.

Charlie and Lou bought the aluminum window, door and awning manufacturing firm in 1971 from Lance Cote, founder of Atlas back in 1964. Mr. Cote now lives in semi-retirement in Kelowna, B.C. Recently the At-

las Aluminum site was sold to St. Albert Auto and Marine Sales and it was at this juncture that Charlie and Lou decided to put up their own structure and leave the old site at 184 St. Albert Road for the new development project.

Atlas' new home at #4 Riel Drive (formerly Lakeview) is an all-metal building measuring 64 ft. by 120 ft. The 7,680 square foot structure situated on 1.5 acres of land, will provide ample space for the manufacture and repair of aluminum doors, windows, shutters, awnings as well as a specially designed glass department plus ample storage room, office and display

area. Since taking over Atlas Aluminium Products Ltd., co-owners Charles Bouchard and Lou Prefontaine have extended services outside the St. Albert region. They supply customers as far north as the Arctic and as far east as Saskatchewan. To cope with this thriving local industry, Atlas employs a staff of six workers and once they have settled in their new premises they have plans for still more extensive services and future expansion.

The project simply means that paper used in the classroom and generally disposed of in the usual way, is now saved for recycling. Comment From Ottawa

Hon. Marcel Lambert M.P.

Dilly-dallying may delay income tax refunds

The Trudeau government 11 months after introducing tax relief measures, has finally decided to begin to implement them. It has only done so because it is faced with the threat of mass dissatisfaction from thousands of taxpayers and voters who, following government instructions, have claimed exemptions and reductions promised in the budget of May 8, 1972.

These people will not be able to receive their income tax refunds until the measures are given legal sanction by Parliament. The government thus has a massive dilemma of its own making on its hands.

The taxpayers are claiming these not-yet-passed measures because they were instructed to do so by the government's income tax forms which blithely ignore the fact that illegal actions are being sanctioned. The government is now forced to legitimize these.

Where did this whole mess begin? One can go back to the May 8th 1972 budget address by John Turner in which the various personal and corporate tax reductions and exemptions were spelled out. Then, rather than following the customary practice of almost immediately introducing the budget bills, the government dallied for 34 sitting days - until June 26 to introduce these bills. Then, before these bills could even be debated, the House was adjourned, eight sitting days later, on July 7.

Tax Foundation on Nov. 28, 1972, Finance Minister John Turner said - "A few days after the election, the Prime Minister stated the government's intention to put Bill C-22 back on the Order Paper when Parliament returns to work. I renewed that pledge earlier this month. I repeat it tonight. We want to get on with the Budget bill. . . ."

But despite these pledges, it is easily seen that the government is all talk and no action. Given the urgency and priority placed on these Budget bills by the Liberals, one can well ask why they waited until Jan. 4, 1973 to call Parliament into session.

Robert Stanfield noted with justice on Feb. 19 that the fiscal policy of the Liberal government displayed a dire mishandling and a complete lack of a coherent strategy on economic problems. As Mr. Stanfield said of the budget measures, "all he's produced is a sort of hedge-podge."

This hedge-podge was to continue and worsen. As the days passed and no sign of any budget bills appears,

taxpayers began to wonder what they should do in filling out their income tax forms; corporations began to wonder if they would ever receive the promised relief measures counted upon.

The Conservatives continually raised the issue, trying to get some firm commitment from the government as to when - if ever - these tax relief measures would be implemented. It gradually became obvious to all that the Liberals had not learned a thing from their defeat in the election, that they were continuing to act in a high-handed, unconcerned manner.

On March 23, John Turner gave a perfect example of this. To begin with, he said "these measures were not approved by the last Parliament because of the pressure of other business. . . ."

One should ask what this "other business" was and if it was so pressing, why was the House dissolved?

Turner went on to say, on reference to his Feb. 13 budget, that "I made clear my intention to reintroduce these corporate measures at an early date in the new

Parliament. But you are equally aware that this new Parliament is a House of minorities - all of which makes for a House that is full of uncertainties." It should be interesting to find out how Turner defines "early". And also, if he is afraid of uncertainties, perhaps someone should suggest to him that he does not belong in political life.

The truth of the matter is that a long complicated bill, combining some income tax proposals of the May 8th and February 19th budgets, was introduced on April 3, 1973, minus the corporate tax cuts. Debate started on April 5 with Mr. Turner urging the House to give speedy passage to the 137 page bill so that taxpayers could receive tax refunds without further delay. Yet

No. 6 Board Studies Future School Sites

Future school sites have been monopolizing many hours of discussion at No. 5 Separate School Board meetings recently. A recommendation, made at the Committee of the Whole meeting held March 14 was defeated when it came up for ratification April 11. The motion by Chairman C. Schroder was for the acquisition of two fully serviced 10-acre school sites adja-

cent to 10 acres of parkland located in Neighborhood 10. The price in Mr. Schroder's motion was \$1 per site. Although this motion failed to go through, a supplementary motion ensued, this one by Trustee Don Munro authorizing the buildings and property committee to negotiate for the purchase of a fully serviced five acre site in Neighborhood 10 from Qualico Developments for

acres plus parkland; junior high, approximately 12 acres plus parkland and senior high, 20 acres plus parkland. Trustee Wiltshire's motion was carried unanimously. Mr. Wiltshire emphasized that in all cases the parkland mentioned in his motion would have to lie adjacent to the proposed site. Trustee Don Munro made a clause-by-clause review of the old Joint Use Agreement with recommendations to amend same. This was the first objective study made of the Joint Use Agreement by the No. 6 Board in recent years and several recommendations were agreed-upon prior to future study which will be done at the

price of \$1. This motion was carried unanimously. The board, in discussing the defeated motion by Chairman Schroder agreed that a couple of 10-acre sites will have to be acquired in Neighborhood 10 in addition to the five-acre site being negotiated for with Qualico. And further agreed that study and further negotiations with developers in that new subdivision will have to be made before a firm decision can be made. At the same meeting, Trustee Jim Wiltshire moved that the board adopt the following policy regarding school site requirements with future developers: elementary, approximately 10

next Joint Use committee meeting. Superintendent of Schools Elmer Gish tabled his enrollment and classroom projections report for Neighborhood 10 (Akindale). According to the superintendent's report approximately 2,177 students are expected to evolve from Neighborhood 10 once it has been fully developed. The prospects of over 2,000 new students in Neighborhood 10 and using the

factor per unit for St. Albert Separate School District, the total projected enrollment was recorded at 1,524. The number of classrooms required, according to Mr. Gish's report, would be 28 for elementary students, 14 junior high classrooms and nine senior high classrooms. The superintendent's report then brought forth three school requirement proposals, all three have a great deal of merit and will have to be studied further.

The Lions 1973 Bike-a-thon is going to be a financial success judging from the enthusiasm displayed to date. Last week we showed where the realtors of St. Albert were competing for top money . . . this week the Lions are unveiling the 'money-bag-crow' made up of St. Albert's bankers. Left to right are: Moe Gervin of the Bank of Montreal; John Grave of the Royal Bank of Canada; Leo Alain of the St. Albert Savings and Credit Union and John Westra of the Bank of Nova Scotia. Missing and reported to be in secret training when this picture was taken are Dennis McConnell of the Canadian Imperial Bank of Commerce and Bob Thomas (who was seen in Mayerthorpe Monday) of the Toronto-Dominion. With top money men competing for top money, how can the Lions lose?

Around Town

Lesca Sawchuk of Salisbury Avenue was surprised and pleased when she was notified of winning \$285 in the second early bird draw for Canadian Derby sweepstakes. While she has been in on purchasing sweepstakes tickets before, this

is her first win and the first time she held a ticket in her own name. "The money will come in mighty handy," said Lesca. (Pronounced "Leesa").

John Oliphant was home from Calgary for Easter and

reports he is enjoying his work in the Communications Department of the University of Calgary, where he is presently doing audio visual tapings of a variety of U activities.

Christian Men's Club starts St. Albert chapter

An international men's organization has recently branched into St. Albert with the formation of the St. Albert Chapter of the Full Gospel Businessmen's Fellowship.

The Full Gospel Business Men's Fellowship International originated 10 years ago in California as a Christian laymen's organization and has grown rapidly with many millions of men and women around the world attending their monthly breakfast meetings.

This fellowship is non-denominational and open to all Christian men who wish to come together in a spirit of fellowship and worship.

Monthly breakfast meetings will be held the fourth Saturday of each month at the Purple Dine Restaurant starting April 28 at 8:30 a.m. The main speaker at this meeting will be Mr. Gus Rinkel, a layman with extensive experience as a contractor and a lifetime of Christian service.

FUNNY BIRD

Not funny looking maybe but functional. Built for work. Its natural habitat is high grass, weeds and brush. It mows down little blades of grass or 1 1/2" up long with its 28" x 44" bit.

He goes over rough terrain safer, faster, easier and with a longer lifespan than other birds.

You know JABO is the best and on the grounds of America than any other bird. JABO has it covered with a 100% maintenance service.

Funeral services held for Gordon Schmermund

By Liz McLeod
On April 11 the St. Malheur's Lutheran Church at Spruce Grove was filled with relatives, neighbors and friends who came to bid farewell to as fine a gentleman as anyone has met, in the person of Mr. Gordon Schmermund from Calahoo, who passed away in Stony Plain Hospital on April 7, aged 64 years, after seven months illness.

The Reverend Dr. John Zimmerman officiated at the 2 p.m. service.

The pallbearers were three nephews from Gordon's side and three from Mrs. Schmermund's side of the family: Don Schmermund, Jerry and Dennis Helych; Jack Webber, Lloyd Miller and Richard Under-schultz.

Everyone was invited to lunch afterwards at Mrs. G. Schmermund's home.

Mr. Schmermund was born on January 24, 1909 in El-

mira, Ontario to Norman and Emma Schmermund, and when he was only five years old his mother passed away, so Gordon and his sister, Ada, were brought up by their grandparents and uncles.

When 15 years old Gordon came west to Spruce Grove to farm with his father and later on his own. He married Miss Emella Lehman of Spruce Grove on Dec. 16, 1937 and after farming three more years in Spruce Grove the couple moved to Calahoo district on April 19, 1941. They had one son, Kenyon on March 19, 1954, but unfortunately he only lived a few hours.

Longing for children Gordon and Emella applied for foster children and in August 1960 Lloyd, Donald and Jimmy McArta became an integral part of the household for one year and a day when they were returned to their parents. A stunning blow to

be sure, but a couple days later their sorrow was replaced with their chosen children, Barry and Michael Schmermund.

Gordon loved farming, was a wonderful neighbor and friend and will be sorely missed by all who knew him. He leaves to mourn his passing, his loving wife Emella,

two sons Barry and Michael of Calahoo, two brothers John of Edmonton and Roy of Calahoo, two sisters, Mrs. Oliver (Ada) Schaefer of Elmira, Ontario and Mrs. Henry (Erma) Burdette of Edmonton.

Interment was in the church cemetery.

A very interesting and educational Fine Arts Festival was held at Horse Hill School on Thursday, April 12. Over 600 students participated in music, drama and physical education produced. They came from Sturgeon Heights, Nampa and Horse Hill schools, all in the Sturgeon School Division.

The musical items included solos, duets and choral groups from the various schools. These items were selected from the regular music programs in the school and showed what was being accomplished by the students and teachers. Similarly in physical education and drama, the demonstrations and plays presented were the results of regular classroom activities. The host school also presented about 80 items of student art work for display.

The festival committee, with Mr. V. King as chairman and Mrs. Speer as secretary, are to be congratulated for a job well done. A large number of parents and friends attended the festival indicating keen community interest in the development of the Fine Arts in the school.

Special guests present included Mr. H. Paul, Sturgeon Division Trustee, and Mrs. M. Banney and Mr. J. Pauls from the Dept. of Youth, Culture and Recreation.

Bon Accord Council meets

All members of council were present at the regular monthly meeting, held April 16, 1973.

Minutes of the Court of Revision held April 4 were read for information. A letter from Mr. Jim Thompson, dog handler, was read, outlining suggested changes to the Dog Bylaw with a view to improving dog control. Council were not in favor of making changes in the middle of the license year but will consider altering the bylaw in December, to

become effective January, 1974. The purchase of a tranquilizer gun will be considered before finalizing the present budget.

The Edmonton Regional Planning Commission advised of a proposed subdivision involving Lots 2 and 3, Block 10, Plan 5261 B.A. Council had no objection to this. A second letter from the Edmonton Regional Planning Commission concerning recognition of a mobile home as a second home bldg. was also met with the approval of council.

The Equalized Assessment Board advised that the equalized assessment for the village for 1973 is in the amount of \$661,690.00. Adjustments were made to

staff salaries.

PUBLIC WORKS:

Quotations for street oil were received but the ordering was left until a later date. 150 yards of fine gravel will be ordered for distribution on certain streets prior to oiling.

Council will consider improvements to the lane between 51st and 52nd Avenues so that certain residents will have better access.

DEVELOPMENT CONTROL

A resolution was passed which stated that no more moved-in residences would be allowed in the village.

Council authorized legal action in connection with the uncompleted dwelling on Lot 23, Block 7, Plan 5261 B.A. Meeting adjourned to May 7, 1973.

Report From Bon Accord

By Sadie Allen

A reminder to everyone that the Home Nursing course starts 9:30 a.m. April 30 in the Bon Accord Community Hall. It would be appreciated if people intending to take the course would let Nigel Mansfield - 298-3625 know.

A meeting of the Local Association for Brownies and Guides was held on April 17 in the Bon Accord Community Centre. The upcoming banquet for the girls and their mothers was discussed. The girls are planning a cemetery clean-up on May 12. Care of the cemetery is a guide project but it is hard to maintain without a good general clean-up. Everyone is urged to turn out and lend a hand.

Brownies and Guides are in need of helpers. If you are interested, please contact Pearl Madden at 298-3636. A reminder that the girls will be around selling cookies the first week in May.

The last in-town Depot paper pickup will be the first week in May. The main collection depot at Mel Kusk's farm will remain open for deliveries.

The Allen McBride family had the misfortune to lose all their possessions in a fire that levelled their home last Thursday night. As no one was home at the time everything was lost. Donations of money to help them may be left with Madelon at the cafe. If you have clothing or household articles to donate, please leave your name and number and these can be picked up later.

A note of interest - four out of the five minor hockey players who received most improved player awards at the recently held minor hockey awards night were boys from Marg Sullivan's power skating classes.

The date for the rummage sale has been set for May 19. Proceeds will go towards equipment for the Emergency Brigade. For pickup of articles phone Nigel Mansfield at 298-3625.

The regular Sunday night bingo will be held on April 29 starting at 7:00 daylight saving time. The jackpot is now \$35 with 60 numbers being called.

ARTS & CRAFT SHOW

A reminder about the Bon Accord Arts and Crafts show Sunday, April 29, 1 - 5 p.m. in the Bon Accord Community Centre. There will be displays of the many craft items made during the past winter under the Sturgeon Recreation Board program, as well as individual hobby

crafts, youth work and crafts of days gone by.

Drawings by the Bon Accord Art Club will be on display in the basement. There will be a small admission charge - no charge for kids. Items for display may be brought to the Hall between 9 and 11 a.m. Sunday.

Professor Harry Wolfarth of the Department of Extension, University of Alberta, visited the Bon Accord Art Club on Thursday, April 19 for evaluation of the work of 11 members. He was accompanied by Mr. Allan Bolsheim of Edmonton who instructed the Drawing 1 Class during the past season.

Several members plan to attend the ACACA annual convention on Saturday, April 28 at Corbett Hall.

Sturgeon District 4H News

There will be a Northwest Region 4H council meeting on April 27 at the Edmonton Exhibition Grounds (upper level). Time 1:30 p.m. Some of the topics on the agenda will be: Summer Activities, Camp Counsellor Workshop, Provincial Selections, Junior Leadership Seminar, and Camps. Everyone is welcome.

Reminder: Northwest Public Speaking finals will be held April 27 at 8 p.m. in the Youth Building at the Edmonton Exhibition Grounds.

Redwater course opening soon

Of interest to citizens in the district, but particularly to those living in the Bon Accord and Gibbons area, is the fact that the nine-hole grass-greens golf course in Redwater officially opens its fairways to golfers in the first week of May.

The course itself enjoys an idyllic setting right in the heart of the town of Red-

water. Hole two and the short hole three are nestled in a bluff of prairie cottonwoods, high bush cranberry, and wild dogwood.

The course is a 3236 yarder, par 35, and prairie flat; but challenging, for it is not easily parred. And while it challenges the veteran, its relative flatness is easy on the novice.

The rates are reasonable for a grass-greens course. Golfing on weekdays is \$1.50, and on Saturday and Sunday, \$2 for the day.

A family membership is \$50 for the season, with lower rates for singles and students.

The club's president is Russ Lampkin of Gibbons, and according to him it's one of the better little courses he's played on in recent years. It is never crowded, he says, and its relative nearness to Gibbons and Bon Accord makes it an ideal place to spend a sunny after-supper hour or two, or a leisurely Sunday afternoon.

Villeneuve Report

By Marg Borle

The March meeting of the CWL was well attended. Father Bernard gave a talk on vacations and the function of St. Paul's Students Residence. The nominating committee for the April CWL elections are Florence Soetaert, June Vitoor and Juliette Belanger.

It was decided the CWL ladies would serve lunch at the Paul Berube sale on April 9.

Volunteers for March Marian Centre day were Mrs. M. Verstraete, Florence Soetaert, Mrs. Pat Sheehan.

Mrs. Pat Sheehan, Mr. Prudent Borle and Mrs. Raymond Renaud flew to Fort Nelson recently to visit the Gilbert Borle family.

A party was held at Villeneuve Hall honoring Pat Lydon and Ken Borle who are to be married May 24.

Mr. and Mrs. Chril Borle returned on March 26 from a month long holiday in Australia, New Zealand and island enroute. They report a busy, exciting holiday. While they were away Miss Doreen Borle of Whitecourt looked after their home.

The family of Mr. and Mrs. Andre Borle entertained friends and relatives of their parents at a 25th anniversary celebration at Villeneuve Hall on March 30. Out of town guests included people from Strome, Heisler, Killam, Saskatoon, Camrose and Sedgewick. Mr. and Mrs. Borle thanked all those who attended and helped to make the occasion so enjoyable for them.

On Sunday, April 8 a show-

er was held in Villeneuve Hall for Miss Mary Borle, bride-elect on April 24. Mary received many beautiful and useful gifts. Mary is marrying Mr. James Ganton of Vermillion.

Achievement Day was April 9 for the Villeneuve Clothing Club. A capacity crowd assured the girls of the backing of the community. Judges for the occasion were Mrs. Dorothy Rigney of Bon Accord and Mrs. Noreen Brown of Edmonton. The girls were very pleased with the year-end results.

We are sorry to lose long time residents of Villeneuve, the Paul Berube family. Their sale was held on April 9 with a good crowd and fine weather favoring the occasion. We wish Mr. and Mrs. Berube, Gerald Jocelyne and Rolande all kinds of good luck in their new home in Legal.

The big snowstorm on Friday, April 13 did not in any way hamper the crowd in attendance at Mr. and Mrs. Cyril Borle's 50th wedding anniversary. The family of Mr. and Mrs. Borle entertained with a family program.

CWL MEETS

The April meeting of St. Peter's CWL was held on April 15. Those scheduled for April Marian Centre work were Eloise Borle, Odile Lesburg, Rita Soetaert and Simonne Sheehan. The main item on the agenda was the election of officers. The new executive is, President - Mrs. Gilbert Soetaert, 1st vice president - Mrs. Armand Renaud; 2nd vice pres. Mrs.

Melvin Borle; 3rd vice pres Mrs. Harry Lema, secretary - Mrs. Robert Lema and treasurer - Mrs. Rene Vitoor.

The retiring president Mrs. Pat Sheehan thanked all members of the executive for their co-operation. She felt the participation of members both opinion wise and work wise had been very good. She urged that attendance be as near 100 per cent as possible to increase CWL efficiency in the community. A presentation of an inscribed wall plaque was made to Mrs. Sheehan.

BIRTHDAY CELEBRATION

The three daughters and one son of Mr. and Mrs. Art Soetaert honored their father at a birthday party in Villeneuve Hall on April 14. A large crowd of relatives, friends and neighbors attended from Mearns, Morinville, Riviere Qui Barre, Calahoo and Villeneuve. Mr. Soetaert received family gifts and a purse from those in attendance. His unique birthday cake depicted the various phases of his life up to the present time. A very enjoyable evening was had by all.

By Judi Demers

On the night of March 22 the members of the Gibbons 4H Garden Club held their annual public speaking competition in the Gibbons Sunday School. Judges were both from Edmonton and toastmistresses. Thanks go to Mrs. Jeanette Frunchuk and Mrs. Win McAra for helping.

did not speak because she had already spoken in another club.

Senior members were Diane Gordon - Babysitting; Judi Demers - Men vs Women.

Winners in the junior division were 1st, Janet Lamoureux; 2nd Bobby Sawchuk and in the seniors, 1st - Judi Demers and 2nd Diane Gordon.

Andre Borles honoured on 25th Anniversary

By Marg Borle

David Borle and his six sisters Cherylnn, Mary, Simonne, June, Debra and Joyce arranged a celebration to honor their parents Mr. and Mrs. Andre Borle on the occasion of their 25 wedding anniversary. The evening began with a Mass of Thanksgiving celebrated by Father Tom Kroetch, brother of Mrs. Borle. Sr. Catherine Kroetch was organist and choir members were the Borle and Sheehan girls, daughters and nieces of the couple.

Following mass a reception was held at the Villeneuve Community Centre. David Borle was mc. The brothers and sisters of Andre Borle presented a 30 minute program challenging the family of Margaret Borle (Kroetch's) to a hilarious competition. The Kroetch family accepted the challenge and returned with a 30 minute diversified musical highlighting the courtship of

the couple. The family of Mr. and Mrs. Andre Borle then presented a 30 minute program of song, dance, and pantomime illustrating the union of the Borle-Kroetch families.

Mr. Emil Soetaert presented the couple with a purse on behalf of those in attendance. Miss Carol Lynn Borle made a presentation on behalf of the God-children.

Calf Scours

By Wally Klatt, District Veterinarian

Lately I've talked to quite a few cow-calf producers about calf scours. I suggested the best thing to do when a calf is real sick is to contact a veterinarian. He should also be able to assist you on a prevention program.

To help minimize scours on your farm the following (as offered by Vets) are offered:

1. Use adequate and good quality feed for cows including proteins, vitamins, minerals, salt, water, etc. It's important that the cow has adequate amounts of Vitamin A, D and E. This is before and after calving.

2. Use clean, dry, uncrowded calving grounds, away from the buildings and in a protected area. Use plenty of dry bedding.

3. Ensure the cow has milk and the calf can get it. The calf should be feeding as soon after birth as possible.

4. Check your cows and calves frequently.

5. Separate the cows and calves at calving time.

Apparently no single treatment can cure calf scours or diarrhea. The best treatment combines good management,

early detection and early treatment with an oral antibiotic to which bacteria are sensitive. Virus, if involved, do not respond to anti-biotics but must be fought off by the calf itself. A vaccine is being developed in the U.S.A. to protect against one of the viruses causing scours. It has not, as yet, been released for use.

With good management, ensure the calving pens and grounds are thoroughly cleaned each year. Disinfect the premises and use lime. Expose the areas to the summer sun. This will reduce the bacteria and virus.

If the calf is real sick and dehydrated then it should be treated by a vet. One of the anti-biotics to use is Nitrofurantoin. Additional things one can do is to give the calf capsules containing units of Vitamin A.

In any case make sure calves get colostrum (first milk) within two hours after birth.

Guide, Brownie Leaders Attend Training Session

By Flo McGinnis
Leaders of the Morinville Guides and Brownie packs attended an extensive three day training session in Edmonton, April 6, 7 and 8 and brought back some unique ideas and plans. The sessions included instruction in arts and crafts, song sessions, and ceremonies relating to guide and brownie activities. Suggestions and instruction on various

ways to carry out a meeting were one of the highlights. Then on April 12 there were six Morinville leaders who attended a two hour training session in crafts at the Albert Lacombe school in St. Albert. All six reported that it was extremely interesting and they feel that now they have a good supply of new ideas to start the girls on.

What is LITTERCHECK?

Littercheck is a positive program aimed at the prevention of littering. The Littercheck symbol is simple, strong and memorable. The main element a cross, universally accepted and understood as a symbol of appeal, emergency and hope. At the centre a disc, symbolizing the globe or

world. In conjunction with the symbol the word Littercheck - short, simple, meaningful, descriptive - a word identifying both subject and the action required. Littercheck is for people. The world is our Living Room. Littercheck reminds us to keep it clean.

Mrs. Gayle Neale's Babysitters Safety Class at Gibbons put on a fine display at their final class before "exams." Using baby dolls the class of girls and one boy demonstrated how they had learned to dress, diaper, feed and handle small babies. Under the expert guidance of Mrs. Neale they had also learned to bathe children and to cope with almost any situation that might arise while they are "on the job." The class learned how to do Mouth to Mouth Rescue breathing and simple first aid which included swallowed objects, how to tell if a child might be suffering a simple concussion and what to do if the child has swallowed household cleaning compounds or medicines. The course is set up by the Alberta Safety Council for children 12 years of age and over. At the end of the comprehensive six lesson course an exam is written. A certificate is given successful candidates to indicate that they are a qualified babysitter. This is a very worthwhile course for youngsters who plan to make a little extra money this summer minding children, especially those who don't have small children in their homes. Mothers should certainly feel more confident when leaving small children with these youngsters who have been given special instruction on how to deal with the small child.

Sturgeon Rec. Facility Opinion Poll Complete

Early in March of this year the Municipal District of Sturgeon mailed out over 2,900 questionnaires along with the annual financial statements to its ratepayers. On April 3, three days after the opinion poll deadline had been reached tabulation of the questionnaires returned totalled only 583 plus two ratepayers who nullified their questionnaire because they both reported that they no longer reside within the municipality.

The whole exercise was conducted by the MD in an effort to obtain an opinion poll from its ratepayers regarding how many 'mills' each would be willing to allocate toward Sturgeon Recreation Facilities. Ratepayers had from 0 to 5 mills to choose from. Here are the results:

0 mill 393; 1 mill 53; 2 mill 53; 3 mill 50; 4 mill 12 and 5 mill 21.

Lions Blitz school

Morinville Lions will be canvassing the town on May 2nd in support of the fund drive for the Winifred Stewart School for Retarded Children.

The Lions expect that the people of Morinville will be generous in helping them in this most worthwhile project, and the canvas takes the form of a one-day and evening blitz on Wednesday.

The Arts and Crafts co-ordinators will be conducting an exposure program at the Sturgeon Valley Community Centre on Wednesday, May 2 at 8 p.m. The purpose of the program is to make residents aware of the services of the Recreation Dept. of the MD and what courses could be made available to them. Samples are on display and each course is explained in detail. Communities must organize classes themselves but help in locating instructors and the training of instructors are two of the services that the Recreation Dept. offers. Any community that would like an exposure program in their area to help them to decide what courses to offer in their fall program should telephone the recreation office.

The ladies in Calahoo have just completed a class in soft leather under the direction of Mrs. Anne Borube. A fine display of purses, belts and moccasins slippers attested to the satisfaction and enjoyment that these ladies experienced working with soft leather.

Rivard - Pelletier Wedding

By Jeanne Laplante

Our Lady of Victories Church Vimy was the scene of a beautiful spring wedding when Agnes Pelletier exchanged marriage vows with Raymond Rivard in a triple ring ceremony. Rev. L. Viel officiated for the daughter of Mr. and Mrs. Vern Selbert and the son of Mr. and Mrs. Eddy Rivard from Legal.

The bride and groom entered the church together followed by the bridesmaids Misses Sylvia Demers, Agnes Rivard and Debbie Gray. Wedding music was played by Mrs. G. Provencal and solos were rendered by Mrs. Anne Marie Douzleach and Mrs. Provencal.

The bride was radiant in a gown of lagoda crepe with Venice lace, styled with an A-line skirt. The fitted bodice was enhanced by dainty neckline and trumpet sleeves. A graceful train falling from the waist was complemented by a cathedral veil, held by a profile headpiece of organza. She carried a cascade of red sweetheart roses.

The bridesmaids looked charming in blue chiffon gowns featuring emude waistlines and barrel cuffs. Tiny yellow and white daisies adorned their hairdos and nosegays.

Best men were Gerry Demers, Yvon Pelletier and Lionel Bergevin, Usherling

the guests were Raymond Houle and Danny Rivard. To receive her guests Mrs. Selbert chose a coral floor length gown with gold accessories and tulleman roses on corsage.

For her son's wedding Mrs. Rivard wore a gown of pink floral goerette complemented by a corsage of white roses and white accessories.

Following the ceremony a reception was held in the Legal Community Centre with 250 guests in attendance. The bridal table was centered with a three-tiered wedding cake flanked by white tapers. Master of cer-

emonies for the occasion was Norm Rivard and the toast to the bride was proposed by Norman Belsonnault. Dancing, refreshments and a midnight lunch was enjoyed by some 500 friends and relatives.

For a wedding trip to Vancouver the bride donned a two piece suite of white and black tulle with red accessories and red carnations. The happy newlyweds will reside in Legal.

the Adventures of LITTLE RED RIDING ERICKSEN

NOTE: ANY SIMILARITY BETWEEN THIS JESUS AND LITTLE RED RIDING ERICKSEN IS PURELY COINCIDENTAL.

LITTLE RED RIDING ERICKSEN WAS DRIVING THROUGH THE CITY OF EDMONTON WHEN ALL OF A SUDDEN HE CAME UPON WOLFIE, THE FAST TALKIN' CAR SALESMAN. WOLFIE THE FAST TALKIN' CAR SALESMAN ASKED LITTLE RED RIDING ERICKSEN WHERE HE WAS GOING. HE EXPLAINED HE WAS OFF TO SEE A CUSTOMER WITH A GREAT ARRAY OF ECONOMY IDEAS.

WOLFIE, BEING VERY CURIOUS ASKED LITTLE RED RIDING ERICKSEN JUST WHAT THEY WERE.

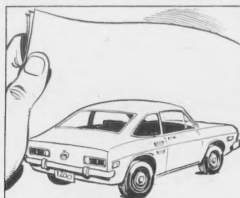

LITTLE RED RIDING ERICKSEN PULLED OUT A BOOK FROM HIS BASKET OF GOODIES FOR WOLFIE TO SEE.

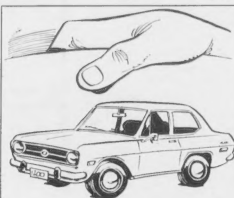

IN IT WERE SEVERAL PHOTOGRAPHS OF DATSUN CARS.

THIS IS THE ROUGH, TOUGH DATSUN PICKUP TRUCK!

THIS IS THE GREAT LITTLE DATSUN 1200 FASTBACK!

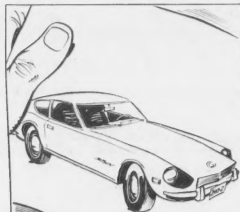

HERE IS THE DATSUN 1200 SEDAN!

THIS IS THE POPULAR DATSUN 510 SEDAN!

HERE IS THE VERSATILE DATSUN 510 WAGON!

YOU'VE HEARD OF THE SLEEK POWERFUL DATSUN 240 Z!

AND NOW PRESENTING THE ALL NEW DATSUN 610 FASTBACK!

WOLFIE, AFTER SEEING THE FANTASTIC DATSUN CARS DECIDED TO BEAT LITTLE RED RIDING ERICKSEN TO THE CUSTOMERS HOUSE TO SELL HIM ONE OF HIS COMPETITIVE CARS FIRST.

WHEN LITTLE RED RIDING ERICKSEN REACHED THE CUSTOMER'S HOUSE HE DISCOVERED WOLFIE WAS ALREADY THERE (HAVING TAKEN A SHORT CUT THROUGH TOWN).

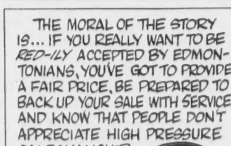

BUT UNDETERRED BY WOLFIE'S PRESENCE, HE SHOWED THE CUSTOMER ALL OF THE MATERIAL ON THE DATSUN AUTOMOBILES ... EXPLAINED THE SERVICE ARRANGEMENTS, THE WARRANTIES AND THE LARGE INVENTORY OF BACK UP STOCK TO BE PROVIDED.

WOLFIE, NOTICING THE CUSTOMER BECOMING VERY INTERESTED, IN THE DATSUN, BECAME SO ENRAGED THAT HE STAGED AN IMMEDIATE ON-THE-SPOT GIGANTIC CAR SALE TO ENTICE THE CUSTOMER, BUT ALAS IT DIDN'T WORK... THE CUSTOMER HAD DECIDED TO ACCEPT LITTLE RED RIDING ERICKSEN'S SUGGESTION AND ASKED TO GO FOR A TEST DRIVE...

... LEAVING POOR WOLFIE, THAT FAST TALKIN' CAR SALESMAN LEAVING UP AND DOWN IN THE DISTANCE.

PROBABLY THE FAIREST DEALER OF THEM ALL!
